## BRANIFF'S TRAVE

### THE BONANZA OF PRIZES

You earn Braniff travel bonus points every time you fly Braniff in the USA on an individual or family group ticket. The more you fly, the more points you earn. And here's what your points can get you:

- A First Class round-trip ticket anywhere in the USA for the price of a Coach ticket.
- A one year membership in the Braniff International Council Club or a one year extension if you are already a member.
- A free trip to any Braniff city within the USA or big discounts on individual tickets.

 A free trip to Honolulu, London, Florida or Las Vegas/Reno for less points than you think.

Examples: (1) Three round trips between Dallas-Fort Worth and Los Angeles get you enough points for the Council Club membership or the First Class ticket for the price of a Coach ticket in the USA. (2) Seven round trips between Dallas-Fort Worth and New York, or thirteen round trips between Dallas-Fort Worth and Chicago give you enough points for a free round-trip Coach ticket to London or Honolulu.

You decide where you want to go and when. And you tell us what name to put on the price ticket.

### IT'S EASY TO EARN BONANZA PRIZES

You earn Travel Bonus Bonanza points every time you fly Braniff in the USA. You keep track of the point total instead of our computer. You know when you have earned the prize trip you want. You tell us when you have earned a prize, where you want to go and when you want to go. And you can have the Travel Bonus Bonanza price tickets made out in anyone's name you wish.

- Every time you fly Braniff anywhere in the USA on an individual or family group ticket June 1, 1981 through May 31, 1982, you collect Braniff Travel Bonus Bonanza points.
- Earn points for flights to and from London for all travel on and after July 29, 1981 ... to and from Mexico and Canada for all travel on and after July 8, 1981.
- 3. The Points Earned Chart in this folder shows how much each Braniff trip is worth in points for each one-way trip. You keep track of your points by recording them in the Braniff Travel Bonus Bonanza Flight Log in this folder.
- You save your Braniff boarding passes and the airline ticket receipts (or photocopies) as your proof of where and when you flew Braniff.
- The Braniff segments on tickets issued by other airlines qualify for points also. Again, the airline ticket receipt (or photocopy), and your Braniff boarding pass are your proof.
- When you have earned at least 30 points, you may claim:
  - (a) An authorization to purchase a round trip First Class ticket for the price of a round trip Coach ticket between any two Braniff cities in the USA, including Honolulu; or
  - (b) A free one-year membership in the Braniff International Council Club or a one-year extension if you are already a member. This gives you entry to Braniffs 15 clubrooms located in major airports in Continental USA, Hawaii, Britain, South America.
- When you have earned at least 75 points, you may claim a free or discount prize trip as follows:
   (a) You can choose a free trip to Florida cities.

- Las Vegas, Reno, Honolulu or London. The points needed are shown on the Travel Bonus Bonanza Super Prize Chart (round trips) or City Prize Chart (one-way trips) in this folder; or
- (b) If you live in Florida, Nevada or Honolulu, the prize points for a free round trip to other cities in the USA are shown on the Bonus Bonanza Super Prize Chart.
- (c) You can choose to use all your points to get an authorization certificate for the largest discount possible on a Coach ticket between any two Braniff cities in the USA as shown on the Prize Charts. You calculate as follows:

  Divide your points earned by the points needed for the desired trip on the City. Prize Chart and the result is the percentage discount to be authorized by Braniff no matter what coach airfare you as an individual decide to use (coach, Super Saver, Texas Connection, etc.)
- 8. To tell us which prize you want, just complete the Travel Bonus Bonanza Claim Letter in this folder and mail it to us together with your Braniff boarding passes, the airline ticket receipts (or photocopies) and your Flight Log. You may also ask your travel agent to mail this to us. We take care of the rest, including sending you back a non-transferable certificate for unused points if you have earned more points than required for the prize selected. The unused point certificate is to be submitted together with additional flight coupons and boarding passes when you send in your next Prize Claim Letter.
- 9. You can use your Travel Bonus Bonanza Points and take your Travel Bonus prize trips anytime through December 31, 1982 (except for certain holiday periods). Once you send in your first Prize Claim Letter, you can keep right on earning points as you travel through May 31, 1982 and claim additional prizes in accordance with paragraphs 6 and 7. You do need to earn 75 points again to claim another prize trip or discount authorization.
